DSPSH21 postponement en

DS Printech China, due to take place in Shanghai from 6 – 8 August, will be rescheduled due to the recent emergence of Covid-19 cases in different provinces in China. A new date for the digital and screen printing fair will be announced shortly.

“In response to the relevant government authorities’ requirements on pandemic containment and to safeguard the health and safety of all attendees, we have decided to postpone DS Printech China to a later date,” Ms Wendy Wen, Senior General Manager of Messe Frankfurt (HK) Ltd explained. “The wellbeing of all our stakeholders is paramount, while we also wish to ensure the fair takes place at a time when participants will be able to travel safely. We appreciate the ongoing support and understanding of our exhibitors and visitors, and hope to be able to announce the new details soon.”

DS Printech China, an influential platform dedicated to the digital and screen printing industry, is a rebranded fair of two events: CSGIA and Textile Digital Printing China. The fair is co-organised by Messe Frankfurt (HK) Ltd, China Screen Printing & Graphic Imaging Association (CSGIA) and Guangzhou Teyin Exhibition Service.
