DSPSH rescheduled 2 eng

**Originally due to take place in September 2021 and then rescheduled to January, DS Printech China now has a new date of 8 – 10 March 2022. The digital and screen printing fair is due to take place in halls E5 & E6 of the Shanghai New International Expo Centre.**

Ms Wendy Wen, Senior General Manager of Messe Frankfurt (HK) Ltd explained: "In light of the recent Covid-19 cases in China, it is necessary for us to further postpone this edition of DS Printech China. The decision was made in consultation with the fair's stakeholders to support government efforts on pandemic containment, and to safeguard the health and safety of all fairgoers. The organisers would like to thank all participants for their support and ongoing understanding as we navigate these uncertain times."

The 2020 edition of DS Printech China hosted 200 exhibitors and 8,853 visitors, while there were over 130,000 online participants. The fair, an influential platform dedicated to the digital and screen printing industry, is a rebranded fair of two events: CSGIA and Textile Digital Printing China. The fair is co-organised by Messe Frankfurt (HK) Ltd, China Screen Printing & Graphic Imaging Association (CSGIA) and Guangzhou Teyin Exhibition Service.
